After Action eXchange

EVALUATE.   SHARE.   LEARN.   BUILD.

What is AAX?

An online tool designed for federal, state, and local government public health and regulatory agencies to:

- ✓ **EVALUATE** responses and exercises with hotwashes;
- ✓ **SHARE** after action reports (AARs) and improvement plans (IPs);
- ✓ **LEARN** from one another through a searchable database;
- ✓ **BUILD** our national capacity development.

Why use AAX?

**Make it easier to conduct a hotwash!**

Use online surveys as a supplement to or a replacement for in-person hotwashes. AAX is a one-stop shop to:

- ✓ Custom design online surveys (suggested templates also available)
- ✓ Email surveys to your participants
- ✓ Collect and export participant responses in excel

Share AARs and learn from other agencies' responses!

Features include:

- ✓ A universal catalog to search AARs/IPs by state, pathogen, date, and more
- ✓ A venue to upload event information and AARs/IPs
